GRUPPO FS ITALIANE

This map illustrates the snow risk levels for the Ligurian road network in 2025-2026. The region is outlined in black, and the sea is shown in light blue. The map is divided into three risk levels: **ALTO** (red lines), **MEDIO** (yellow lines), and **BASSO** (green lines). Major roads are labeled with their numbers, such as SS1, SS28, SS29, SS30, SS334, SS35, SS45, SS45var, SS432, SS523, SS586, and SS654. The map also shows various geographical features, including the Golfo di Genova, and several parks and natural areas, such as Parco Naturale delle Alpi Liguri, Parco Naturale Regionale delle Cinque Terre, and Parco Nazionale dell'Appennino Tosco-Emiliano. A scale bar at the bottom left indicates distances from 0 to 30 km, and the scale is 1:550.000.
